Action taken report

YEAR-2018-19

All stakeholders' views and suggestions, including students' and employees', are carefully considered and addressed through the appropriate channels. The following measures have been implemented in response to comments made about the educational environment, academic performance, and atmosphere:

1. Surveillance CCTVs are installed inside and outside of the college campus for enhanced security measures.
2. Large classrooms are being divided to address classroom inadequacy.
3. To combat frequent electric power cut a 5 KV diesel generator set has been installed.
4. For advance study in the field of remote sensing and GIS one highly sophisticated polarizing trinocular microscope and two binocular microscope along with three computers has been purchased as per special/additional requirement placed by Geology department.
5. New books have been allocated in accordance with the university syllabus.
6. The different social outreach programs are to be organized by NSS.
