### 2.6.2 Attainment of POs and COs are evaluated

The Government General Degree College at Pedong has consistently prioritized the meticulous and complete development and dissemination of the Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs) those are relevant to the college's curriculum. However, the process of creating and distributing the indicated results is the establishment of the goals. The assessment of whether these established outcomes or objectives have been achieved or not must be conducted in a rigorous, scientific, and systematic manner. The intended Outcomes refer to the specific objectives that the College feels students should achieve upon graduating, after successfully completing the Final Semester (UG Semester-VI) Examination. The College must evaluate the Attainment levels of the intended Outcomes in an unbiased, scientific, and robust manner. This evaluation will serve as feedback and an indicator for addressing Teaching-Learning process related concerns in future Academic years.

The Government General Degree College at Pedong utilizes two main categories of methodologies to evaluate and calculate the attainment levels related to the designed Programme Outcomes (POs), Programme Specific Outcome (PSOs), and Course Outcomes (COs)–

- i) **Strategies for evaluating direct attainment**
- i) **Strategies for evaluating indirect attainment**

These approaches are crucial considering the varied socio-economic backgrounds of the students and their responses to the teaching and learning methods and assessments.

The Government General Degree College in Pedong utilizes the following methodologies to assess and determine the levels of achievement in relation to the designed Programme Outcomes (POs), Programme Specific Outcome (PSOs), and Course Outcomes (COs)–

#### I. End-Semester Examination results

The Government General Degree College at Pedong, which is associated with the University of North Bengal, conducts its End-Semester Theory and Practical Examinations following the standardized University schedules. Once the Final Semester Examination results for each Batch are released, the College creates the Sheet containing the compiled data –

**Summary sheet of the results**, including the number of candidates that appeared and the number of candidates who qualified. The Summary sheet is organized according to the specific program.

Based on this specified sheet, the college can obtain a clear understanding of the number of students who passed and failed, as well as a comprehensive overview of the range of CGPAs attained by students in different programs.

This matrix is crucial indicator for directly assessing the achievement of the results and objectives mentioned in the Program results (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs).

The following document is enclosed herewith –

- a) Summary sheets of the Final Year/ Final Semester Results for the Academic Years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23.

#### II. Internal Examination results

The Government General Degree College at Pedong has aligned its evaluation method with the circulars supplied by the University of North Bengal, to which it is affiliated. The Core Courses and Discipline Specific Electives were evaluated through two components, C1 and C2, which carried a weight age of 10 marks. These components were assessed through written examinations, assignments, or viva performed by the relevant departments. The Attendance of the students accounted for 5 marks in the C3 component of the internal evaluation. In 2018-19, the college administered internal exams in person during both the Odd and Even Semesters. In 2019-20, due to the pandemic, the college conducted offline internal exams during the Odd

The Departments store and upload the Marks of Internal Assessments in the University site as needed. Considering the outcomes of the Internal Assessments, students are recommended to prepare themselves for the End-semester Examinations. The first meeting takes place after the completion of the Odd Semester Internal Examinations, and the second meeting takes place after the completion of the Even Semester Internal Examinations. Roll No.: WB11010519

**KALBEN WANCHU BHUTIA**

Son/Daughter of **KARMA BHUTIA**

and **EDEN BHUTIA**

Subject: **Earth Science**

**Dear Candidate,**

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in **Dec-2022/June-2023 (merged cycle)** Joint CSIR-UGC Test. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., **29.07.2023** (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at **Annexure I** available on [www.ugc.ac.in/netjrf](http://www.ugc.ac.in/netjrf) along with other Annexures.

The Awardee is required to get admission and registration for regular and full time **M.Phil./Ph.D.** course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on [www.ugc.ac.in/netjrf](http://www.ugc.ac.in/netjrf).

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at [https://www.ugc.ac.in/ugc\\_notices.aspx?id=2153](https://www.ugc.ac.in/ugc_notices.aspx?id=2153)).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s)
- Concealment of facts.
